IN APPRECIATION OF VOLUNTEERS

As ever, alumnae volunteers played a vital role in the success of the College's fundraising efforts. Overseen by the Alumnae Giving Committee, this worldwide volunteer network works tirelessly on behalf of the College. We thank all of our volunteers—from Reunion leaders and committee members to class agents, assistant class agents, and planned-giving representatives—for giving their time and support to sustain the excellence of Randolph-Macon Woman's College.
